

FAITH * FAMILY * EXCELLENCE. These are Lumen Christi's Core Values. In this issue of the Lumen Messenger, we dedicate one page to each Core Value, with photos and text to share how Lumen Christi students are living out that particular Core Value in their lives at school. Thank you for your past and future support of Lumen Christi Catholic High School.

Catholic Schools Week Mass with Archbishop Etienne

World Youth Day 2019 - Panama

Lumen Students Frankie, Anthony and Cali traveled with a parent and more than 70 other young people to Panama in order to celebrate the gift of our Catholic Faith with Pope Francis. It was an awesome trip!

The theme of this World Youth Day was Mary's Fiat: "Let it be done to me according to your word."

EXCELLENCE

Just a few of our academic award winners honored at our January Awards Assembly

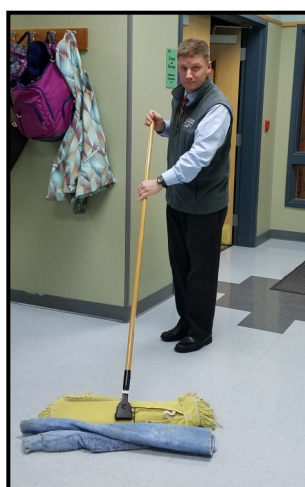

Our boys basketball team received a warm welcome from our sister school, Saint Mary's Catholic Elementary School in Kodiak. Our students mingled with some of the kids there. Thank you, St. Mary's for your gracious and warm hospitality! The boys team went on to win all three of their games!

As part of our service to the community, Student Government collected baby food, clothes and diapers for the local Community Pregnancy Center. Charity is one of the attributes of a Lumen graduate.
