

FAITH * FAMILY * EXCELLENCE. These are Lumen Christi's Core Values. In this issue of the Lumen Messenger, we dedicate one page to each Core Value, with photos and text to share how Lumen Christi students are living out that particular Core Value in their lives at school. Thank you for your past and future support of Lumen Christi Catholic High School.

Showing Faith, Family, and Excellence at the Fur Rondy Parade!

Students in U.S. Literature read, "The Narrative of the Life of Frederick Douglass" during Black History Month.

Lumen students will participate in a variety of activities throughout the season of Lent, to include interactive Stations of the Cross each Friday and teaming up with the Knights of Columbus for their "40 Cans of Food" drive to help the hungry in our city.

World Literature students finish reading "Persepolis," prompting deliberation and a Declaration of Universal Human Rights.

“

"We love the small class sizes and dedicated teachers. It gives my child a chance to excel academically as well as allow her to practice her faith as a part of her daily life."

- Regina Baker

"Winter Wonderland" Gala-Auction a Wonderful Success!

Our sincere thanks to all who helped to make this year's Gala-Auction such a marvelous evening! Under the wise leadership of Co-chairs Danielle Rybicki and Julie Irving, we salute our terrific team of students, families, school and parish staff, donors, and YOU, our generous supporters, all of whom came together for a fun and profitable evening of building community and celebrating the gift of a Catholic education!

Lumen Christi Catholic School seeks to support parents and families.

More Fur Rondy Photos!

For the second time LCHS participated in the Fur Rondy Parade. Thank you to all who designed and built the float and came out to walk with us. It was sunny and cold, but everyone had fun. See you next year!

Lumen students tossed out over 900 gift bags with candy and an invitation to our spring Open Houses!

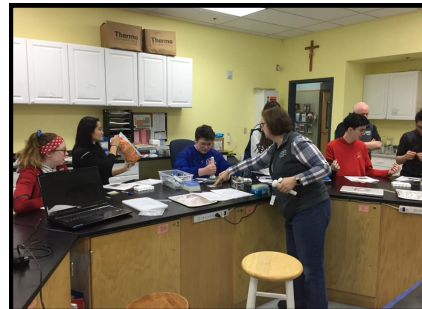

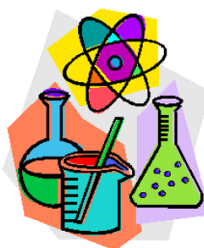

Senior Night!

Giving thanks to God and family, we recently honored the five seniors playing on our girls and boys basketball teams! We wish the best to Jaime, Julianne, Alex, Shon, and Trey. Congratulations!

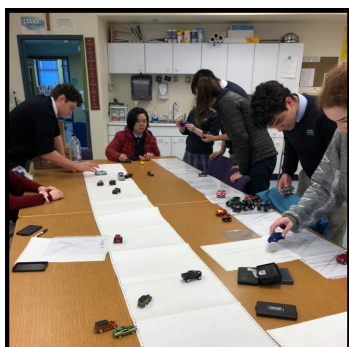

Mrs. Brewer & the science lab she designed!

Students test supposedly "organic" foods.

CONGRATULATIONS TO OUR BOYS BASKETBALL TEAM WHO WILL COMPETE IN THE STATE CHAMPIONSHIPS! MORE TO FOLLOW NEXT MONTH.

A favorite of many students and alumni. Our forensics class teaches research and teamwork.

Love is in the air these days! In Mrs. Robertson's Math class, students learned about ratios with the help of Valentine's Day candy. Who knew that math could be so sweet? Creative learning is part of Lumen!
