

FAITH * FAMILY * EXCELLENCE. These are Lumen Christi's Core Values. In this issue of the Lumen Messenger, we dedicate one page to each Core Value, with photos and text to share how Lumen Christi students are living out that particular Core Value in their lives at school. Thank you for your past and future support of Lumen Christi Catholic High School.

Each Friday in Lent Lumen students participate in student-created and led Stations of the Cross

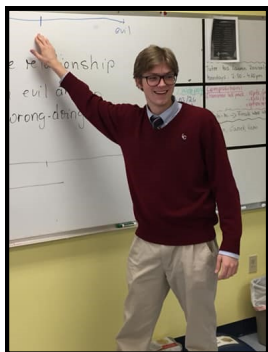

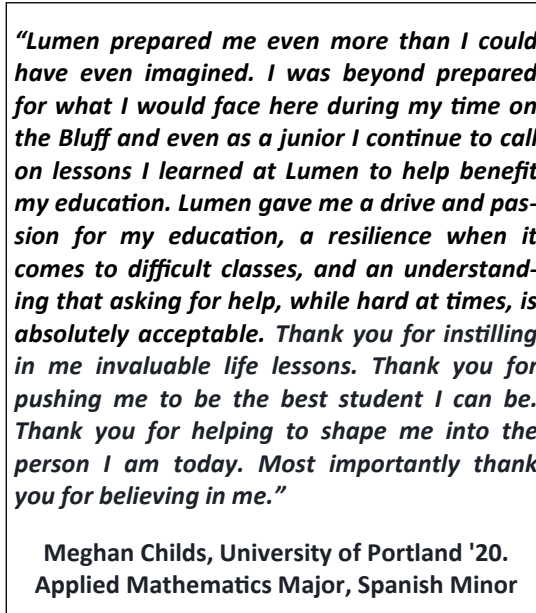

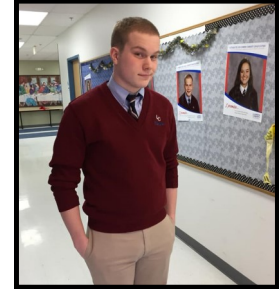

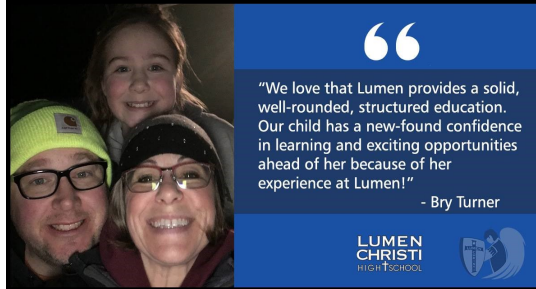

Helping out at Saint Elizabeth's Fat Tuesday Prayer Service— "One school, two buildings!"

Students collect food with the Knights of Columbus and eat a simple meatless soup lunch on Fridays in Lent.

FAMILY

At Lumen Christi you are more than just a student or a parent—you are a member of a caring family—one that spans almost 25 years. Our intention will always be to help graduate young men and women who have a worldview centered in the teachings of Jesus Christ; are servant leaders in the Church, community, and society; strive to live justly and value service to others before self; are confident and prepared for life's challenges; communicate effectively, think critically, and solve problems; and respect the value and dignity of others as made in God's image. Lumen Christi—FAITH, FAMILY, AND EXCELLENCE!

“A rigorous Catholic education in a Christlike environment.”

EXCELLENCE

“Excellence” comes in all forms, inside and outside of the classroom. At Lumen we encourage our athletes to strive to do more than just win the game. This year we embraced “SportsLeader,” a Catholic virtue-based formation program for coaches and athletes that stresses the four pillars of Virtue, Mentoring, Ceremony, and Catholic Identity. Last year our girl’s basketball team went to the State Championships and this year they played their hearts out, at times with only 3-4 players on the court! Congratulations to Senior Julianne Estes for being chosen to play in the AABC Senior Invitational Game on April 13th. Our boys team went to State this year. We are proud of all of our athletes and grateful for the sacrifices our coaches make to mentor our students. In the next issue of the Lumen Messenger we will acknowledge our indoor soccer, track and field and riflery teams. This page is dedicated to our boys basketball team’s first trip back to the State Championships in six years. Enjoy!
