Principal's Update

Have a blessed and safe Labor Day weekend! See you all next Tuesday!

Virtue of the Week

Archangel Attic

THANK YOU to those of you who have signed up for a shift (or several!) at the Archangel Attic. During the worst of COVID, Attic hours were limited and as a result, the proceeds that reduce tuition were way down. With things nearly back to 'normal' - it looks like we could be getting back to our more usual \$100,000/year in sales. This. Is. HUGE! But requires help from all of us to make it happen.

If you've never volunteered at the Attic, here's a fun tutorial:

https://www.youtube.com/watch?v=f14_Crdz_P0&t=135s

We always pair new volunteers with experienced ones, so you'll always have back up as you're learning the ropes. So go on, click here and sign up for a shift or two! <https://signup.com/go/MjHfAVB>

Senior Photo Reminder

Dear Parents of Senior Students:

This is a reminder that now would be a good time to take the Senior photos for their last Yearbook. The foliage is still nice. It does not have to be a professional photo, it can be a photo that you take with a camera that has at least 300dpi to guarantee good printing quality and the subject is in focus. Yearbook works on a strict deadline so we would like to have the photos by **October 5th**. Please send them to our Yearbook email: Yearbook@lumenchristiak.com.

If you have any questions, please feel free to send them to us at Yearbook.

School Board Fall Speaker Series Thursday, Oct 6th

Lumen Christi Catholic High School invites all parents and caring adults to our Fall 2022 School Board Speaker Series on Thursday, October 6, 2022 from 7-8:30pm in the Lumen gym. This event is free and open to the public. Mr. Chris McKenna, a nationally recognized speaker from Protect Young Eyes, will be presenting "The Digital Culture of Kids: Building a Framework of Trust." After 7+ years, over 1,500 presentations, testifying in front of Congress, and countless conversations with parents, students, educators, and officers, Protect Young Eyes has discovered that parental controls alone don't work and instead, **there are 5 traits that often determine digital success in many families**. Chris calls these 5 traits the Digital Trust Framework. What is Digital Trust? Do you have it? How does it apply to conversations about social media? Pornography? YouTube? TikTok? This fast-paced talk will use stories, simple examples, and quick tips that will give your family immediate actions. The Lumen Christi School Board will host a reception following the formal presentation. You can find out more here:

<https://protectyouneyes.com/event/lumen-christi-the-digital-culture-of-kids-with-pye/>. We look forward to seeing you!

GALA: We need Glass Bottles

40 Days for Life Alaska

Hello, friends of 40 Days for Life Alaska!

First, the updates:

- The vigil web site is live and ready for sign ups! The vigil runs September 28 to November 6 from 7am to 7pm. You can look at the vigil details and sign up for hours at www.40daysforlife.com/en/anchorage. You will need to make an account to sign up for hours. For help signing up, especially if you don't want to create your own account, please contact Kay at 907-301-6869.
- Our opening prayer service is Saturday, October 1 at 330pm at St. Elizabeth's Catholic Church, 2901 E. Huffman Road. It is coming together! Two women who have had abortions, regretted them and journeyed toward healing with Project Rachel, are going to speak. We will pray, and we will sing! Let us praise God and beg His assistance together. Please mark October 1 at 330pm on your calendars – opening prayer service.
- A local group has committed to filling our vigil on Tuesdays from 1 to 7pm, with four people in each hour. Wow!! Can you gather a group to fill a chunk of hours? Please pray about it and let me know.

And requests for help:

- Do you know of any business near Planned Parenthood that might allow us to park in their parking lot? Please let me know if so.
- Do you know of any business near Planned Parenthood that might allow us to store signs during hours that our vigil does not fill? (as well as overnight, 7pm to 7am, if possible) Golden Donuts has done this for us in the past, but unfortunately, they are not going to do that this year.

- I need help contacting area churches to share the vigil with as many people as possible; planning the prayer service (worship handout, gear table, decorations); speaking at area churches; putting signs together; and more. Contact me if you can help!

Please pray for God's grace to pour out us as we prepare for our vigil. Let's beg Him to open the hearts of all who live here to end abortion in our city.

In Christ, for the unborn and their parents –

Mary Kemper
