

# Success STARTS HERE

At Lumen Christi, we know our students — academically, spiritually and personally.

We're a school where educational excellence, duties of compassionate service, moral development, and co-curricular achievement are shared with students each and every day.

We're a ministry of Saint Benedict Parish and a community that our families call home.

A SHOWCASE OF  
*Excellence*

LUMENary Annual Fund Drive  
2022-2023

# HOW WILL YOUR *Gift* BE USED?

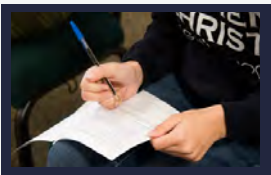

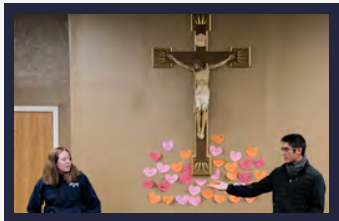

## In Classrooms

Where students learn to work together in project-based learning.

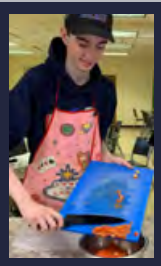

## In Campus Ministry

To support of offsite retreats where students grow in faith, friendship and community.

## In Athletics and Co-Curriculars

To support development of mind, body and spirit.

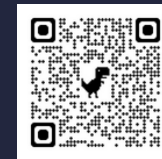

## LIKE ALL PRIVATE SCHOOLS, *Lumen Christi*

relies upon fundraising to close the gap between the actual cost to educate a student and tuition charged.

Annually this gap is closed through several means: our Winter Gala; a generous subsidy from Saint Benedict Parish; proceeds from the Archangel Attic; and of course, this LUMENary Drive.

This year's LUMENary goal is \$75,000. We're confident we'll meet, even exceed this goal and keep tuition affordable for any family who wishes to enroll here. Our confidence comes knowing the Lumen Christi community is comprised of generous and compassionate partners like you; partners committed to enriching the lives of students and investing in Faith, Family and Excellence.
