Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; And do thou, O Prince of the Heavenly Host, by the power of God, thrust into hell Satan and all evil spirits who wander through the world for the ruin of souls. Amen. Saint Michael the Archangel, defend us in battle. Dear Friends and Families of Lumen Christi Catholic High School,

What an amazing 2021-22 school year we had! I look forward to this Annual Report each year, as it gives us the opportunity to spread the good news far and wide about the awesome things happening here at Lumen Christi. As you read these pages, you'll see how we truly lived out our last year's theme of "Better Together" each and every day, in and out of the classroom, and within our wonderful school community. Some accomplishments that I am particularly proud of:

- Our sports teams continued to show the highly competitive nature of Lumen Christi sports. Our junior high soccer team won the Alaska Christian Schools Activity Association (ACSAA) championship. Our high school boys and girls basketball teams both won the Peninsula Conference championship and advanced to State, where both teams placed third overall.
- One of our boys basketball players, Class of 2022 Senior Brenden Gregory, was awarded 1A Player of the Year honors. Our high school boys basketball coach, Adam Trombley, was awarded 1A Coach of the Year honors.
- We received a \$20,000 grant from an anonymous donor to further expand our biotechnology program. With this grant, we were able to purchase critical lab equipment and curriculum materials, allowing us to offer an Introduction to Biotechnology course during our 2022-23 school year.
- Our illustrious School Board developed, organized, and hosted our inaugural Speaker Series events, open to the public. The fall 2022 event focused on navigating one's calling, while the spring 2023 event focused on ways to learn and live out our Catholic faith.
- After a school-wide design competition, we finally have a school crest. This crest, designed by Emily Ross (Class of 2023) and Lane Crosby (Class of 2025), reflects our Core Values, our Catholic identity, our focus on whole person development and our unique Alaska location.
- We hosted a three-member review team from our national accreditation organization, Cognia. After reviewing us across 30 universally recognized standards, in the areas of leadership, learning, and resources, Cognia reaccredited Lumen Christi for another five years!
- We graduated 16 young men and women from the Class of 2022, 10 of whom had attended our sister school, St. Elizabeth Ann Seton School, as elementary students. Further, these graduates collectively earned over \$1.6 million in scholarship monies from private and public colleges, universities, trade schools and other organizations!

No matter how much I sing the praises of our school, I know that I am unable to highlight everything. Suffice to say that there are many good and beautiful things happening here at Lumen. Thanks to you and your support, we are indeed "Better Together" in every way. Thank you again for all you do to support our staff, students and families.

Blessings, Brian

# FROM THE PASTOR *and* THE SCHOOL BOARD CHAIR

At Lumen Christi we want to prepare our students for life; more importantly, for eternal life. We do that through authentically handing on the Catholic Faith in a Christlike environment. Our talented and dedicated faculty and staff encourage, support, and mentor our students. We are singularly focused on one goal: graduating servant-leaders who emulate Christ and His teachings in a school community that is accessible, diverse, and committed to pursuing the fullest potential of every student. I would like to thank all who give, those who are named in this publication and those who are not, but who give generously of their time and talent throughout the year. This Annual Report is a way to not only thank our financial supporters, but to also share stories of how your gifts and involvement with our school are making a meaningful difference for our students today and tomorrow. It is in a spirit of deep gratitude that we offer this publication, celebrating the gifts, achievements, and generosity of the Lumen Christi community this past year. I am personally grateful to each of our benefactors, whose heartfelt support helps us realize our mission in service to our students and for the greater glory of God. As you read through this report, I hope you see the “spirit of Lumen Christi” shining forth in the pictures and words that seek to capture another great year in the life of Lumen Christi Catholic High School, a community built on the principles of justice and love. May God bless you! Thank you, and enjoy! — **Fr. Tom Lilly**

The 2021-2022 school year was filled with many firsts and exciting milestones for this year’s School Board. Starting in August of 2021 our combined retreat with the St. Elizabeth Ann Seton School Board helped to foster our faiths and create more communication between the two schools. In the fall, we launched a new event called the Speaker Series. Our first installment was “Navigating Your Calling” on October 7th and was an inspiring panel discussion of lay professionals and clergy speaking on how they found their way to their professions. The in-person attendance and online viewing spoke to the success of this event. In the spring, the second installment of the series was “Learning and Living the Faith” with Dr. Jared Staudt. This combined effort with Alaska Pacific University’s Cardinal chair, Dr. Kevin Jones, was again a success that the board is excited to build on in the coming year. Challenges we faced were the ever-changing and historical managing of COVID-19. In December, our Board created a COVID Response Sub-Committee to analyze the data from the COVID Survey and brought forward suggestions on updating Lumen’s COVID protocols. To close out the year, the Board participated in the COGNIA accreditation review and presented our role and policies as the governing body of the school. I could not have asked for a more exciting first year as your Board Chair. I am honored to work with those on this Board, school administrators and parents of this school. I am looking forward to the coming school year and all we can accomplish together. — **Michelle Hajdukovich**

# FINANCIAL SUMMARY

As a mission of Saint Benedict Parish, Lumen Christi receives an annual parish subsidy which supports student scholarships and school operations. During lean years, this subsidy has exceeded \$200,000. In recent years however, thanks to a robust student population, successful fundraising endeavors, and generous donors, this subsidy has been reduced by nearly 85% to just over \$32,000. Thank you to our Saint Benedict parishioners - your generosity is critical to the support of our mission and we hope that you are proud of your school!

# 2021-22 HIGHLIGHTS

Back to School Registration and our annual BBQ kicked off on **August** 3rd. Schedules, classes, uniforms, new lockers...it's always a busy but fun day after a long summer apart from our school community! Special thanks to the fine gents from St. Benedict's Knights of Columbus who provided all the grilled goods for the BBQ. These guys never fail to support us....Thanks K of C!

A week later, school parents and St. Benedict's Parishioners came together to help reseed the lawn and re-cover classroom chairs. Many hands make work light and we're thankful for support from our Parish.

The school year officially kicked off on August 16th with our Back to School Mass on August 20th. Thank you to Archbishop Emeritus Schweitz for celebrating Mass and blessing each of the classrooms afterward.

**September** was busy, starting off with students on full day retreats (the High School students to St. Theresa Camp in Wasilla; the Jr. High students on the Lumen Christi campus.) Incorporating acts of service into their retreat, the Jr. High students made 450 sandwiches for the Anchorage Rescue Mission.

Both the High School and Jr. High Soccer teams had full seasons with the Jr. High team capturing Regional Championship title. Homecoming dances were back for both Jr. High and High School after being cancelled for COVID the previous year.

High School students took their PSAT tests one rainy Saturday morning in September. Unlike many of their counterparts in schools across the nation, Lumen Christi students did not have a "COVID dip" in scores in-between 2020 and 2021.

The School Board hosted "Navigating Your Calling," their Inaugural Speaker Series on **October** 7th. With in-person and online attendance, it met with rave reviews.

The Lumen Christi Debate Team started their competitive season in October, with many members securing top prizes in these early competitions, as well as throughout the season.

On the 24th, Lumen students and their families were invited to attend the celebration of "The Lord of the Miracles" (Senor de Los Milagros). Thank you to Our Lady of Guadalupe Co-Cathedral for the invitation to share in this beautiful cultural Mass.

Closing out the month was the ever popular "Spiketacular" High School Girls volleyball tournament. Six teams from across the Division IA region came together for some solid play. Congrats to Cordova High School who took the Tournament Title.

**November** saw our Jr. High Basketball teams kick into high gear with practices and games; the Senior Division (experienced shooters) Rifle Team began their season as well, competing online with teams from across the nation.

The Annual Thanksgiving Stuffing Drive Competition between grades brought in over 800 boxes for families in need throughout Anchorage. Congrats to the 11th grade class who won a "casual day" (no uniforms) for their efforts!

As soon as the Junior High Basketball teams - both boys and girls - won regional championship tournaments in nail-biter final games, it was then time for the High School teams to hit the courts in **December**. Cruising to easy victories in the Lumen Christi Invitational, both teams were poised for a great rest of season.

Off the court Secret Santas were mischievous amongst both the staff and students, bringing a bit of levity to the halls before finals week!

The High School basketball season kicked into high gear in **January** with both teams continuing to add to their respective winning streaks. The Junior Division (new shooter) Rifle Team started their season, honing their skills and learning to compete.

"Celebrate Catholic Schools" Week closed out the month with activities for faculty, staff and students, all in celebration of the awesome Catholic education opportunities available in our city, state and nation.

**February** was a month of milestones. On the basketball front, senior Brenden Gregory had a 51 point game, just days later he shot his 1,500th point of his high school career, joining an elite number of players from around the State. Congratulations, B!

On the school community front, our Annual Gala with it's "There's No Place Like Home" theme grossed over \$130,000 - the highest amount in the school's history!

**March** saw more successes on the basketball courts with both the boys and girls teams claiming the titles of Class 1A Peninsula Conference Regional Champions. Both team coaches, Tom Gregory (girls) and Adam Trombley (boys) were named Regional Coaches of the Year. Both teams went on to compete at State, with both coming in an admirable third place against several very skilled teams from rural Alaska. Several members from both teams were selected as All State Players of the year, and named to All State Championship Teams.

March was also a very busy administrative month with faculty and staff preparing for the school's re-accreditation process by Cognia Global Commission, one of the foremost high school and college accreditation programs in the nation. The school's mission, faculty qualifications and curricula were all reviewed over the course of a week through a process that included self-evaluations, peer-reviews, committee reviews and interviews with faculty, parents and Board Members. The school sailed through the process with re-accreditation being extended through 2027.

Spring always brings a sense of renewal! **April** found students celebrating in style, attending prom without masks for the first time in 2 years!

*Prom*

Also in April, Mrs. Craig and Mrs. Spillers travelled to New Orleans to attend the National Catholic Education Association Conference. This annual event brings together educators from across the United States, Canada and other countries to exchange ideas and debut cutting edge research and technologies related to education. Staff always return from this conference invigorated and eager to share with other staff all that they learned.

Track and Field also kicked off in April with a full cohort of both junior high and high school athletes participating. The season was short but successful with many medals going to fleet-footed Jr. High runners and one High School athlete, Amara Warren, taking the region title in discus.

The last day of April was also the last day of school for the sixteen mighty graduates of 2022. With their final papers and projects turned in, exams finished, last Faith in Action hours completed and documented, **May** then became a buzz of activity with baccalaureate and graduation rehearsals, informal class pictures and formal cap and gown portraits. It's always a bittersweet time of the year for faculty and staff as they prepare the seniors to launch and the juniors to confidently accept their new leadership roles.

We closed out the year with our Annual Garage Sale on May 25th and 26th. This two-day bonanza brought in nearly \$10,000 which will be put to good use in 2022-23!

**Thanks for a great year!**

# FOND FAREWELLS

## Coaches Tom Gregory and Adam Trombley

After an amazing five year run, Lumen Christi said goodbye to both our high school basketball coaches, Tom Gregory and Adam Trombley. Both men exemplified Faith, Family, and especially Excellence in their coaching and mentoring of our student athletes.

For his part, Adam coached the boys team to an 87-28 record, including three consecutive conference championships and a 1A State Championship win in 2021. For his superlative coaching, Adam was named as the 1A Coach of the Year in 2022.

Not to be outdone, Tom coached the Lumen girls team to a 2022 conference championship and a third place finish in the 1A State Championship in 2022. Both coaches were dedicated volunteers and earned the deep respect and admiration of players, parents, and fans. We thank both men for their leadership, sacrifice, commitment, and love for our student athletes. You will be missed!

"A good coach can change a game; a great coach can change a life."

*-John Robert Wooden*

# Campus Minister Liz Loeffler

It was with mixed emotion that we said 'goodbye' to our beloved Campus Minister of seven years, Liz Loeffler.

As a Theology teacher, she drew upon her deep faith to provide a rigorous Catholic education to her students in personal and meaningful ways. As the Campus Minister, she visibly enhanced our Catholic identity as a school and deeply enriched our liturgical and sacramental activities. Every school Mass, student retreat, Stations of the Cross, Advent or Lent Reconciliation Service she organized was done with a generous smile and compassionate heart. She provided a shoulder to cry on and guiding words of wisdom for those with heavy burdens and she *definitely* kept us all on our toes with her delightful sense of humor!

While it was sad to see her go, it was hard not to be excited for her as she transitioned to her new role as the Director of Catholic Schools and Faith Formation at the Archdiocese of Anchorage-Juneau. In her new role, Mrs. Loeffler will lead archdiocesan faith formation for all ages. She will coordinate archdiocesan youth and young adult activities and provide oversight for the Catholic Schools within the Archdiocese. No longer limited to just the students, families and staff at Lumen Christi; her faithfulness, compassion, and love of Christ can now be woven into activities and throughout schools Archdiocese-wide! Thank you Mrs. Loeffler, congratulations, and be sure to come back and visit us.

*Just a few of the moments where Mrs. Loeffler's 'Touch' was felt over the years.*

# SHOUT OUTS!

## ...And Then Some!

The "And Then Some" award recognizes a student who makes a significant and positive impact during any given semester. To be considered, the nominee must go above and beyond that which is normally expected of a Lumen Christi student. Student accomplishments should set them apart from their peers and should have a noticeable contribution to the school and community at large. This is not an academic ability award nor is it an athletic prowess award. Rather, this award showcases a student who best exemplifies and lives daily our core values of Faith, Family, and Excellence...and then some! The 2022 "And Then Some Award" winner was 10th grader **Kennedy Thimsen Whitehead!** Described by teachers as someone who "...always volunteers to help others when her work is done.....makes good, and thoughtful suggestions.....is friendly and mindful.....goes above and beyond when working in a team setting... exhibits exceptional sportsmanship on and off the court....." Kennedy clearly exemplifies the ideals of this award. It's been a joy for her teachers to watch her mature into a young woman who upholds the ideals of a Lumen Christi graduate.

**Congratulations, Kennedy!**

New to Lumen Christi Wednesdays in 2021-22...homemade **HOT LUNCH!** Thanks to the tireless efforts of Lumen Christi parents Michelle Hohmann, Bob Gunderson, Sherry Strizak and Audrie Williams (with trusty sidekicks Wally and Desi), and Lumen Christi grandparents Shelly Matthew and John Mitchell; students were able to have hot lunch on an every-other-week basis throughout the 2021-22 school year. Junior High and their teachers went over to the Parish Hall on the 1st and 3rd Wednesdays, High School and their teachers on the 2nd and 4th Wednesdays. Lasagna, taco bar, brats-n-tots, 'breakfast lunch' - every week was different, DELICIOUS and a true treat for students and staff alike.

**THANK YOU** for giving us something to look forward to every week!

## Fundraising Gala

The annual gala is the school's largest fundraiser, contributing over 46% of the school's fundraising budget. In October 2021, we made the difficult decision that our "No Place Like Home" Gala would remain online, for the second year in a row.

Despite not being able to gather in person, our event was one for the books. Not even a surprise visit from the Wicked Witch of the West could have stopped the fun that night. Thanks to the overwhelming generosity of our amazing families, friends, donors, supporters and community, our net profit in support of Catholic education was over \$132,000 - the largest amount raised in the school's history!

We're forever indebted to Clay & Laura Butcher, the dynamic duo of C+L Creative who helped produce the event; our amazing friend and auctioneer Dan Newman of Alaska Premier Auctions and Appraisals; and of course the whole team of parent and community volunteers who did everything from donation procurement to graphic design to data entry to signing 300 thank you cards!

Mark your calendars now for a fun night of blue jeans & bling at  
"Denim & Diamonds"  
our 28th Annual Fundraising Gala.

We look forward to celebrating our school with you  
*in person* on February 11th, 2023!

## There are many ways to give to Lumen Christi

### Life Insurance

### Retirement Plan

### Securities

### Gifts from a Will or Trust

Remembering Lumen with a gift from your will or trust is easy, a phone call to your lawyer is all it takes.

A Financial Advisor can help you with other gifts, many of which come with significant tax benefits to you, the donor.

Have you already named Lumen Christi in your will or trust? Please call Anne Gore at 907-273-1530 so you can be recognized as Lumen Christi Legacy member.

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil; May God rebuke him, we humbly pray; And do thou, O Prince of the Heavenly Host, by the power of God, thrust into hell Satan and all evil spirits who wander through the world for the ruin of souls. Amen Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil; May God rebuke him, we humbly pray; And do thou, O Prince of the Heavenly Host, by the power of God, thrust into hell Satan and all evil spirits who wander through the world for the ruin of souls.
