Principal's Update

Happy Veterans Day!
Have a great weekend everyone!

Virtue of the Week

A once-in-a-lifetime request gave Cody Dorman, a boy with a rare genetic disorder, the chance to meet a racehorse. The foal he met, eventually named Cody's Wish, would give him so much more than that one wish. This is a must-watch! 11 minutes but well worth your time. The video includes the story and the amazing race. Please show this to all your students and discuss how this week's strength of **SACRIFICE** plays out in the story. Yearbook

Hello Lumen Families! We need your help!

To make our YB as fun and diverse as possible, we would like to invite you to submit photos of the following:

- Outside of Lumen Sports photos: If your child is in any sports not organized through Lumen, we would like pictures of them in action -- preferably just them and not a team picture. We want to showcase their talents.

- Prom 2022 photos: Since the Prom is always after the submission of the yearbook, pictures are included in the following year's yearbook. Pictures from the 2022 Prom -- particularly group photos -- would be greatly appreciated. We would also not like to be limited to just the photos we took.
- Lumen Family Photos: If you have two or more children at Lumen, we are looking for photos of them together. We have a list of each family group and we would like to see them included. For example, the Everard family. They have three children here at Lumen. They will send a photo of Kateri, Vincent and Nadya portrayed in a photo that was taken somewhere else but Lumen.
- If we do not receive a submission for a family, the Yearbook Team will take a picture of them at school together.
- Lastly, we are including a new page: Lumen Pets. We are looking for pictures of family pets. Please send the photo with the name and family name to our YB email. They can be with or without their human family in the photo.

We will be accepting any photos by December 1, 2022 . Please make sure all images you submit are clear and in focus. All images can be emailed to yearbook@lumenchristiak.com.
Thank you so much for your help! The Lumen Yearbook Staff

Campus Minister Thoughts

Advent is coming! We will start each day during the Advent Season by adding an ornament on the Jesse tree and learning the significance of each. It will be a prayerful way for the students to start each day.

It was WONDERFUL to witness the great sportsmanship on display by our Sports Teams this last week. The prayer before the games centers the teams before the contest and we work toward a prayer at the end of the contests to give Thanksgiving for a good contest.

Does your bus riding student from Eagle River need Faith In Action time for the Parish. Father Arthur Roraff has extended the question to the staff of Saint Andrew Parish in Eagle River. Rita Montella is your contact there, she has tasks that would fill the bill!
