Principal's Update

It is hard to believe that we are already almost into the month of November, which means that our first semester is halfway through! Our students are doing very well despite many of their classes getting more difficult and challenging as the days go by. Spirits remain high within our classrooms and hallways and I'm continually impressed by the kindness, compassion, empathy, and support our students have for one another. I appreciate their help, along with that of our teachers, in creating and continuing a Christ-like environment in our school.

Our new Campus Minister, Mr. Doug Berry, starts his first full day on Monday, October 31st just in time for our Halloween Spirit Week. We look forward to having him organize our liturgies, plan our retreats and faith in action opportunities, and minister to our staff, students, and families. I encourage you to introduce yourself to him as you make your way around the school, gym, and campus.

I'd also like to introduce anyone who is interested in meeting our new high school basketball coaches, Mr. Kenny Barker (girls) and Mr. Pat Moran (boys), to attend a special evening on Wednesday, Nov 16th at 7pm in the school. Our new coaches will introduce themselves, talk a bit about their coaching philosophies and expectations, share some thoughts about the upcoming season, and hand out preliminary practice, game, and travel schedules. We hope you will consider attending!

I hope everyone has a wonderful and blessed weekend!

Yearbook

Hello Lumen Families! We need your help!

To make our YB as fun and diverse as possible, we would like to invite you to submit photos of the following:

- Outside of Lumen Sports photos: If your child is in any sports not organized through Lumen, we would like pictures of them in action -- preferably just them and not a team picture. We want to showcase their talents.
- Prom 2022 photos: Since the Prom is always after the submission of the yearbook, pictures are included in the following year's yearbook. Pictures from the 2022 Prom -- particularly group photos -- would be greatly appreciated. We would also not like to be limited to just the photos we took.
- Lumen Family Photos: If you have two or more children at Lumen, we are looking for photos of them together. We have a list of each family group and we would like to see them included. For example, the Everard family. They have three children here at Lumen. They will send a photo of Kateri, Vincent and Nadya portrayed in a photo that was taken somewhere else but Lumen.
- If we do not receive a submission for a family, the Yearbook Team will take a picture of them at school together.
- Lastly, we are including a new page: Lumen Pets. We are looking for pictures of family pets. Please send the photo with the name and family name to our YB email. They can be with or without their human family in the photo.

We will be accepting any photos by December 1, 2022 . Please make sure all images you submit are clear and in focus. All images can be emailed to yearbook@lumenchristiak.com.

Thank you so much for your help!
