

Like all private schools, Lumen Christi relies on fundraising to close the gap between tuition charged and the actual cost to educate our students.

Annually, this gap is closed through three primary means: this fall LUMENary Drive; our winter Gala; and annual proceeds from the Archangel Attic.

This year's LUMENary goal is two-fold: \$85,000; and 100% family, staff and School Board participation.

We are confident we will meet—and even exceed—this goal, keeping tuition affordable for our families while maintaining the rigorous, Christ-like academic environment we are known for.

Our confidence comes from knowing the Lumen Christi community is comprised of generous and compassionate partners like you; partners committed to enriching the lives of students and investing in Faith, Family and Excellence.

LUMENary Annual Fund Drive

2025-26

+ ATHLETICS +

Lumen Christi students can participate in championship division level JV and Varsity sports throughout their time with us. Last year, tournament, coaching and referee fees were all supported by the LUMENary Drive.

+ ACADEMICS +

LUMENary gifts directly support the teachers and curriculum which make for rigorous academics and exceptionally prepared students. Over the past two years, Lumen Christi graduates (31 total) were cumulatively awarded over \$6.5 million in college scholarships.

+ FAITH DEVELOPMENT +

Mass, Reconciliation, Adoration, seasonal liturgical activities – these are all essential elements of campus life. Beyond these, last year's LUMENary Drive supported Campus Ministry events and retreats designed to serve as an additional means to strengthen faith, provide opportunities to serve, and deepen students' sense of the universal Catholic community.

+ FACILITIES & SECURITY +

Last year's robust LUMENary Drive helped support our upgraded security system – a testimony to the priority we place on the safety of our students, faculty and staff.
